ABOUT THE ROLE

As Director of Hospitality & Wellness, Ms. Camille Morgan, RN leads with compassion and excellence to create a welcoming, supportive, and healthy environment for all. She ensures that every interaction reflects care, dignity, and respect—enhancing the overall experience and well-being of our teams, partners, and guests.

AREAS OF LEADERSHIP

Create a welcoming and inclusive environment for all

Promote health, wellness, and self-care initiatives for staff and guests

Oversee hospitality services and ensure exceptional guest experiences

Foster a culture of respect, kindness, and positive communication

Support emotional well-being and work-life balance

Develop and implement wellness programs and resources

Ensure cleanliness, safety, and comfort across all facilities

Build strong relationships with staff, partners, and the community

Lead by example and inspire a spirit of care and service

“ Wellness is not a luxury—
it's a foundation. When we care for people,
we empower them to thrive and lead. ”

*Growing Minds. Changing Lives. Building Legacies.
Leadership is an opportunity to serve, educate,
and leave a lasting legacy.*
