ABOUT THE ROLE

As Executive Director, Dr. Sherry “Dr. Jay” Johnson provides visionary leadership and strategic direction for Catalysts Education Center. She ensures the effective operation of programs and initiatives, empowers teams, builds meaningful partnerships, and creates opportunities that transform lives and strengthen communities. Her passion, purpose, and unwavering commitment drive the mission forward and leave a lasting legacy.

AREAS OF LEADERSHIP

Provide visionary leadership and set strategic direction for the organization

Oversee operations, programs, and organizational effectiveness

Build and strengthen partnerships and community relationships

Lead fundraising and resource development initiatives

Empower and develop staff, volunteers, and leaders

Ensure compliance, accountability, and excellence in all operations

Champion the mission and promote the vision of Catalysts Education Center

Create a culture of innovation, inclusion, and continuous impact

“ Leadership is not about the title you hold, but the lives you touch and the legacy you leave. We grow minds. We change lives. We build legacies. ”

Growing Minds. Changing Lives. Building Legacies.
