

CATALYSTS EDUCATION CENTER

Leadership Spotlight

Dr. Paul Johnson

Co-Founder of Catalysts Edu. Center

**C.E.C. DIRECTOR OF
OPERATIONS AND PRODUCTION**

ABOUT THE ROLE

As Director of Operations and Production, Dr. Paul Johnson oversees the systems, processes, and production that power Catalysts Education Center's mission. He ensures efficiency, quality, and excellence in every operation while building strong teams and creating sustainable solutions that drive lasting impact.

AREAS OF LEADERSHIP

Oversee all operational and production activities to ensure efficiency and excellence

Develop and implement systems, policies, and procedures that support the mission

Manage resources, facilities, and production workflows

Ensure quality control and compliance with organizational standards

Lead, mentor, and develop teams to maximize performance

Build strategic partnerships with vendors and community stakeholders

Identify innovative solutions that improve operations and outcomes

Uphold a culture of accountability, integrity, and continuous improvement

“ Excellence in operations creates the foundation for impact. Strong systems. Strong teams. Stronger futures.” ”

Growing Minds. Changing Lives. Building Legacies.
